Learn if an imperative duty to caution the public against the water later sold as Bethesda. Spurious water is sold cheap. The purchaser will, however, find that it is dear when it comes to the cost of the water later sold as Bethesda. Each barrel, and better is placed on the Bethesda." This rule is strictly adhered to by the purchasers of Bethesda. If doubting, should

"GLORY" TOBACCO

CAUTION.

Owing to the increased demand and the immense popularity of the above celebrated goods, some dealers are selling inferior tobaccos and representing them as the "Glory" brand. I claim the "Glory" as my exclusive trade mark in this market for plug tobacco, and no one has a right to represent other tobacco as being the same. Each lump has a gold tag with the word "GLORY" upon it, and none other is genuine, as it is positively sold under no other brand in this city.

Buyers will please bear this in mind.
